- IV. **Approval of Minutes**

- V. **Chair Report**
 - a. ***Emily Martens*- Chairperson**
 - SFC currently has \$76,149.05. I hosted my Skillbuilder, and I think it was a success! I am currently waiting for one application from someone that wants to join SFC and had lots of interest in spreading information. I was told to host one next semester as well, so I will be looking into that. We need to get the ball rolling on the EFG meeting, as well as the DAG referendum, which I will speak to you guys about more in detail later on in the meeting.
- VI. **Advisor Report**
 - a. ***Kash Dhanapal*- Faculty Advisor**
 - No advisor report; advisor not in attendance
- VII. **New Business**
 - a. **Medicinal Plant Chemistry Club**
 - *John Barfoot (Vice President of Medicinal Plant Chemistry Club)*: We are asking for \$60 to reimburse our gas fees for our trip to a hemp farm in Iron Mountain. They do all their own processing, so we'd really like to see their lab space. We are hoping to get about 15-25 people to come along and learn about the processing that they do.
 - *Emily*: What are you gonna do to make sure that other students outside of your club are aware of the opportunity?
 - a) *John*: We have a public Facebook page we'll post on, and we also plan on reaching out to Dr. Canfield and having him send out an email to all of the medicinal plant chemistry majors.
 - b) *Emily*: You could also put it on The Hub in order to meet the guidelines and ensure that the opportunity is there for others.
 - **SFC Deliberation:**
 - a) *Emily*: The amount is not the issue; the issue is making sure it's open to all students. The only thing I'd suggest is to put it under the condition that they try the Hub.
 - b) *Kobie*: They should record who goes and who is a member.

- c) *Kobie* motioned to approve the Medicinal Plant Chemistry Club's budget request of \$60 in full under the condition that they post the event on the Hub and record participant demographics.

- *Hunter* second; passes unanimously

VIII. Old Business
