

Women's Center

Emergency Hotline 24/7

(906) 226-6611

(800) 455-6611

General Information:

906-225-1346

The Women's Center provides services regardless of gender or gender identity. Sexual assault program services include emergency intervention/response, individual and group counseling and follow-up support services for sexual assault complainants. Sexual Assault Response Team (SART) services to victims of rape are accessible by calling the Harbor House 24/7 crisis line at (906) 226-6611 or (800) 455-6611. Specialized sexual assault response program services are inclusive of individual and family counseling addressing the trauma of sexual violence, coping skills, sexual assault support group, legal support and advocacy throughout the investigative and judiciary process, information and referrals based on individual needs assessment.
