

## What is a Scramble Tournament?

- Everyone on the team tees off. The team chooses the best drive.
- All team members then hit a second shot from the location of the best drive.
- This procedure is followed until the ball is in the cup for each hole.
- Only the best shots are counted on your team's score.
- The team with the lowest score at the end of eighteen holes wins the tournament.
- The scramble format was chosen so that a mixture of golfers and non-golfers can participate.

**Come and enjoy an afternoon of fun!**
