

Dance- Associate of Arts

The Dance Associate's of Arts at NMU Focuses on technique, composition, performance, pedagogy, and science to create well-rounded, thinking dance professionals. Whether a chosen focus is on stage or behind the scenes, students will have the option to add on a "track" to the required coursework to create an individualized educational experience based on their needs post-graduation.

Skills and Competencies

Students will be able to take lead positions on NMU Theatre and Dance productions in performance, choreography and/or design roles. Performances are held in NMU's professional Forest Roberts Theatre, intimate Black Box Theatre and in regional venues. Northern's hometown of Marquette is a very active arts community, with additional opportunities and employment possibilities.

Career Development

You should begin the resume-building process as soon as you can. The Academic and Career Advisement Center can assist you with career planning, while Career Services will help you fine tune your resume and look for jobs related to your field. In the meantime, the more hands-on experience you have, the better the chances are that you will find a job. Becoming involved in a professional related internship and the Alpha Psi Omega National Theatre Honor Society, the more ways you have to develop your professional skills and gain experience. In addition to participating in the various productions and activities offered by the Forest Roberts Theatre, NMU, and beyond, members have the opportunity to be part of a family unlike any other. Of course, your academic course work is important as well, so be sure to maintain a high grade point average.

Additional Considerations

Nationally, dance is emerging as a leading field in fitness, as well as a highly popular entertainment form and educational tool. At NMU, we strive to educate our students on the full breadth of possibilities that dance provides, along with entrepreneurial skills to blaze one's own path.

Job Outlook

A continued interest in dance and in pop culture may provide opportunities in dance and in pop culture may provide opportunities in dance schools and in venues outside of dance companies.

Potential Careers

NMU's Dance Program prepares students for employment in the following careers:

Advertisers are employing choreographers & dancers in their regional, national, and international marketing campaigns and at their trade shows

Movie and video game directors are using choreographers & dancers to score their animated characters

Choreographers are being hired to stage static & 'living' museum exhibits

Teaching artists are becoming more prevalent
