Re: 2016-2017 Annual Report to the Academic Senate

During the last academic year, the AISAC was engaged in the following activities:

AISAC heard reports from Krista E. Clumpner, Professor Head of Collections & Metadata regarding the current acquisitions budget and the development of a new three-year plan for collections. AISAC would like for the Academic Senate to be aware of the intended shift in resource allocation away from serial (periodicals) and towards books (monographs).

AISAC heard reports from Matt Smock, Director of the Center for Teaching and Learning (CTL) regarding the site visit by the Facilitation Center to assist CTL with their strategic plan.

AISAC was given a guided tour of the Beaumier U.P. Heritage Center by Dan Truckey. This tour included a discussion of the development of the center, the services provided, and the existing needs of the center.

AISAC met with Library Design Consultants and Dean Warren to provide feedback regarding the reorganization and refurbishing of the existing library space.

Respectfully submitted,

Robert Belton, Chair
