### **ADMISSIONS REQUIREMENTS**

CURRENT/PRIOR EDUCATION

NMU provides a wide range of educational opportunities with varying admissions requirements. Details about admissions policies for various academic programs and student applicant types can be found at nmu.edu/apply or nmu.edu/bulletin. Each applicant's materials are reviewed individually. Applicants who do not meet all criteria will be fully considered by the Admission Review Committee. The university retains the right to exercise judgment as to the eligibility of applicants for specific courses of study and to withdraw an offer of admission if a student's academic record significantly changes between the date of admission and enrollment. A final high school or college transcript is required.

Housing Requirement: See nmu.edu/housing to understand this condition of enrollment and how it pertains to you.
