UNIVERSITY

WELCOME TO NMU

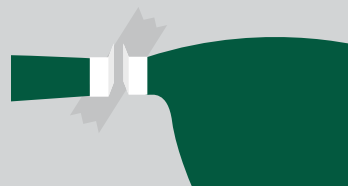

PRINTABLE GRAD PARTY FAVORS

NMU SUNGLASSES

1. Cut along the dotted line.

2. Tape the flaps at the edge of glasses to the grey flaps at the edge of the temple piece. See 2.5 for visual aid.

2.5.

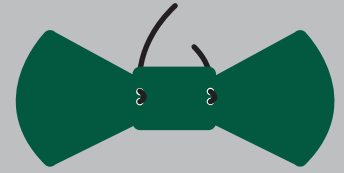

NMU BOWTIE

1. Cut along the dotted line.

2. Poke holes through the two pairs of white holes.

3. Run string or a rubberband through the back of one hole and then through the front of its pair. Bring it around the back and do the same for the other pair of dots, then tie off around the neck. See 3.5 for visual aid.

3.5.

NMU MEDALLION

1. Cut along the dotted line.

2. Poke holes through the pair of white holes.

3. Poke one end of string through each hole and tie off to create a medallion.

3.5.

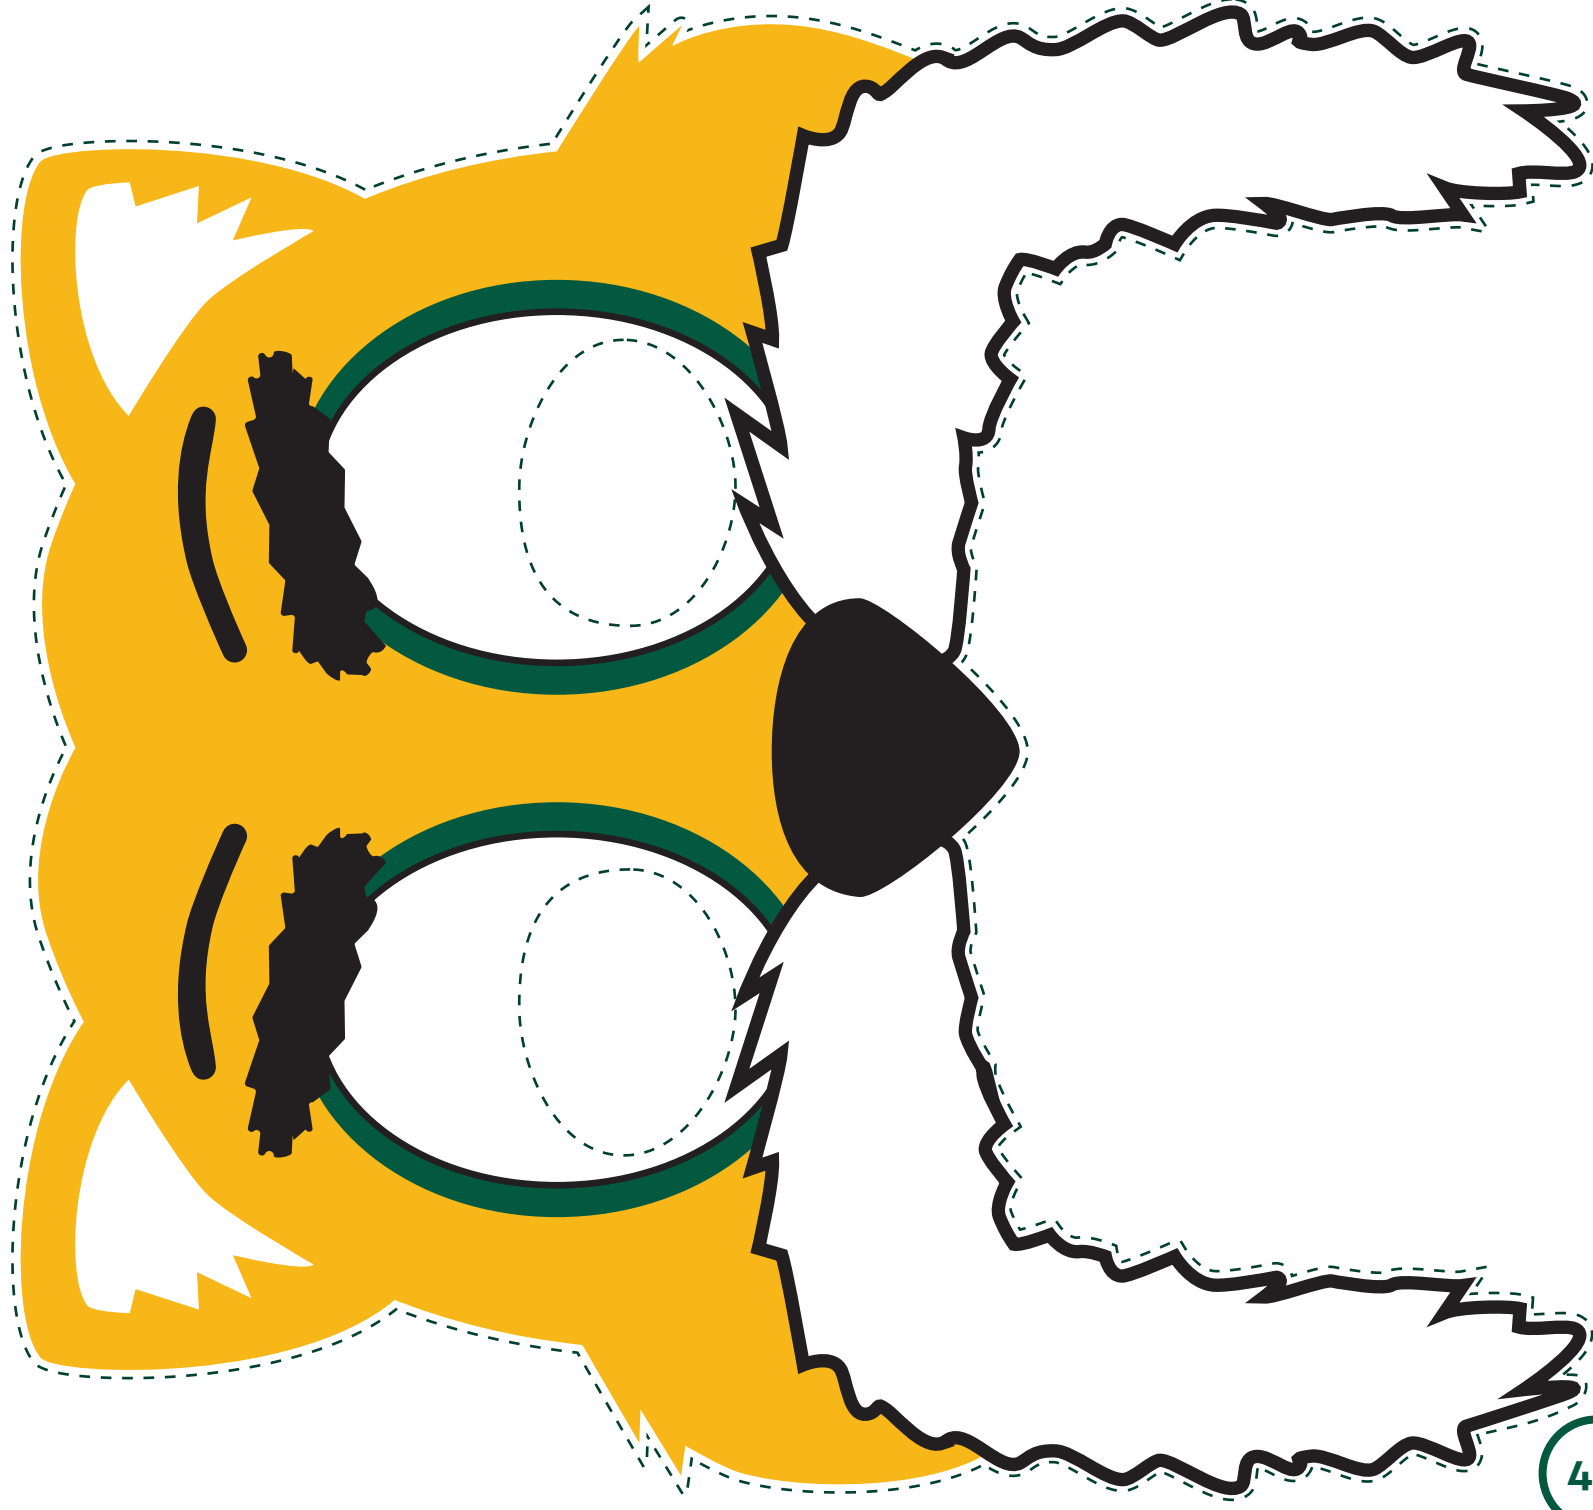

NMU WILDCAT WILLY MASK

1. Cut out shape following all green dotted lines around the perimeter.

2. Cut out dotted green lines that make the eye holes of the mask.

3. Attach a popsicle behind one side of Willy's moustache or tie a rubber band around the backside of Willy's head.

NMU 3D STANDING "N"

1. Cut out "N" shape following all green dotted lines around the perimeter.

2. Fold all white dotted lines at the base of the "N" to make the stand and back rest. See 2.5 for visual aid.

2.5.

NMU 3D HANGING MOBILE

1. Cut out "N" shape following all dotted lines

2. Fold triangle tab down in center of the "N" to help keep the two N's perpendicular.

3. Connect the two "N" shapes by sliding them together by the vertical cut in the middle of the two shapes.

4. Hang these 3D mobiles by central hook shape located on the green "N" or let them stand alone.

STANDING LOGOS

1. Cut out the logo shape following all dotted lines.

2. Fold yellow tabs inward to support the logo.

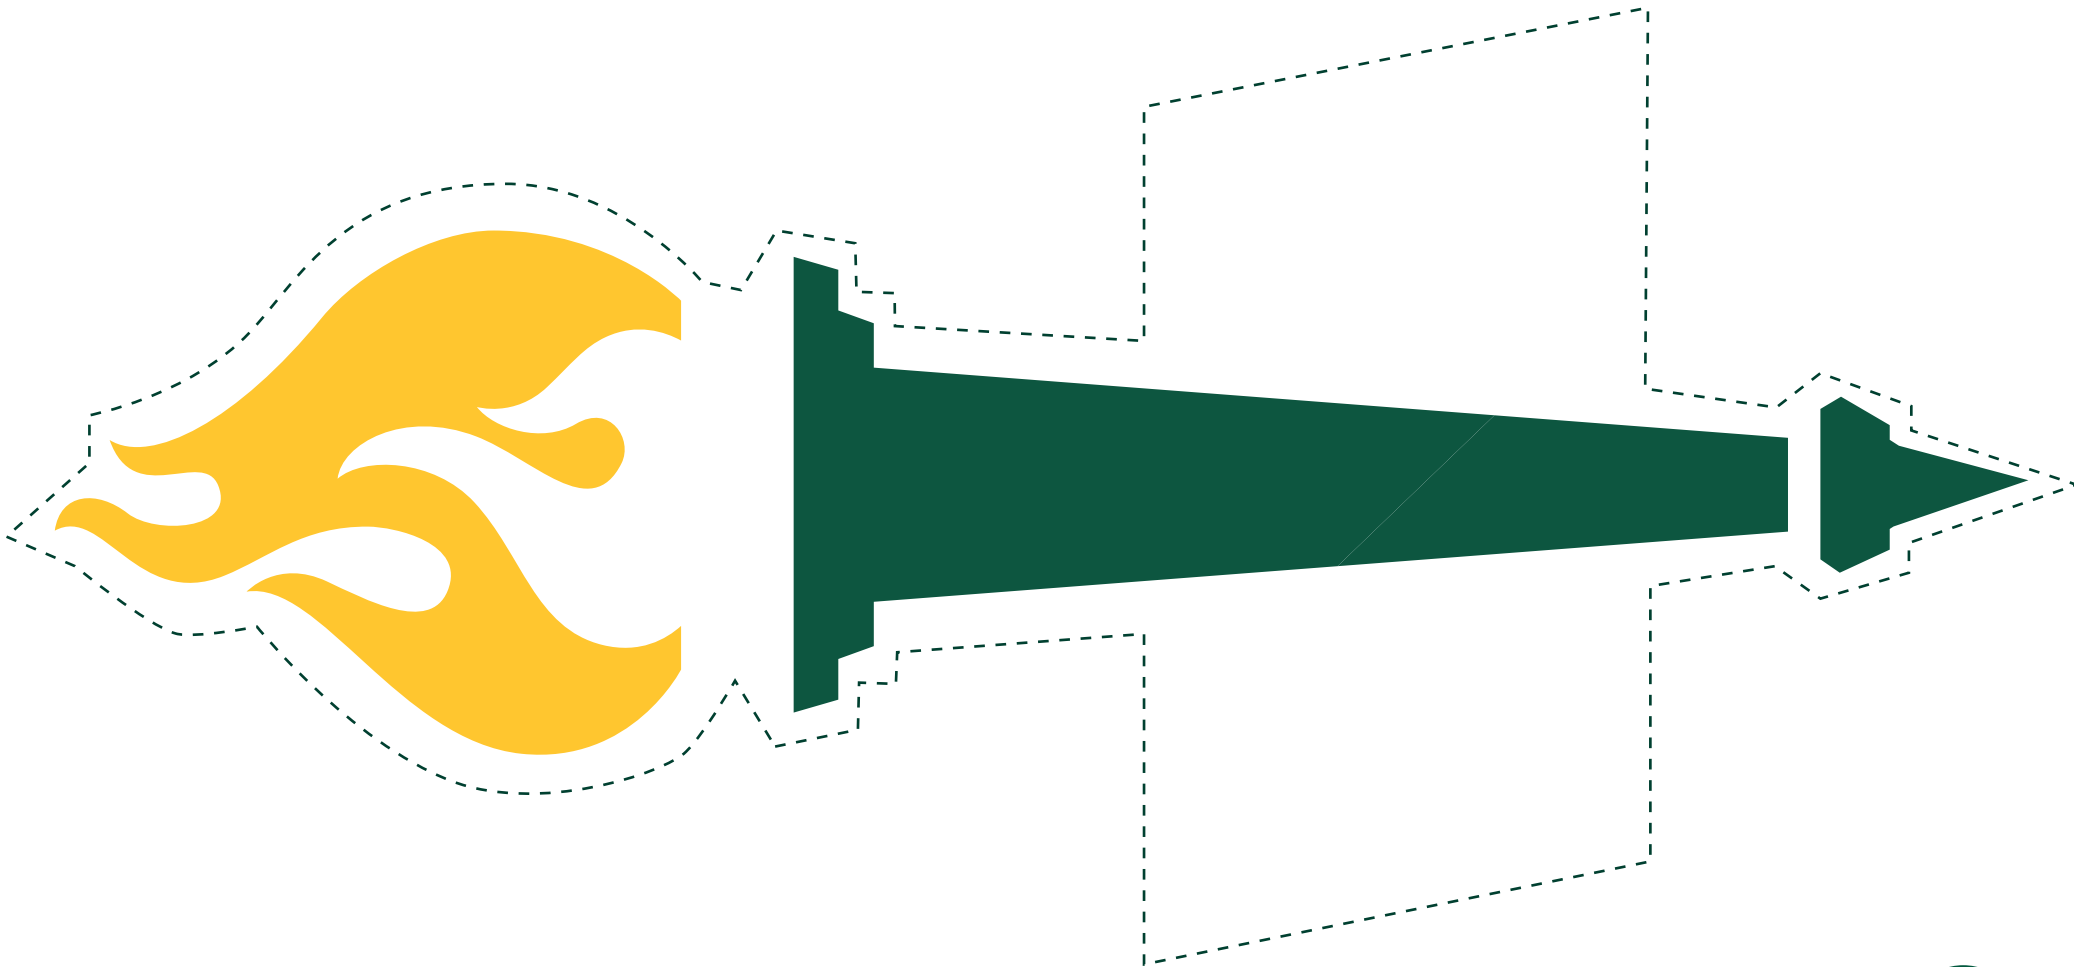

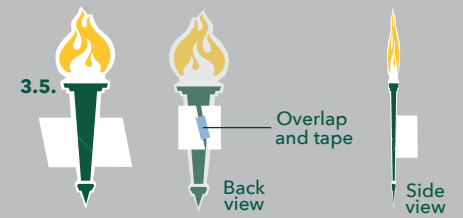

NMU TORCH

1. Cut along the dotted line.

2. Bend back the two white flaps so that they overlap.

3. Tape together two white flaps along overlapped edge to create handle.

1. Cut along the dotted line.

2. Poke holes through the two pairs of white holes.

3. Run one end the string through one of the white holes and tie it off. Do the same with the other end, tying off once you have adjusted around your head. Loop string over ears to keep supported. See 3.5 for visual aid.

3.5.
