# Plan for today

- Overview of the Honors Program:
  - o curriculum
  - extracurricular activities
  - research opportunities
  - additional perks
- A student's perspective
- Next steps (Admissions)
- Questions

### CURRICULUM (aka at least 6 different ways to "do" Honors at NMU)

Lower Division (take four (4) courses: HON 101, 111, 201, and 211)

- do not need to be taken in order!
- are all in the General Education program!

*Upper Division* (earn 12 credits of "honorized" courses in your major and/or upper-level courses in Honors itself) + an Honors Capstone Project

(NOTE: you can earn Upper Division honors without earning Lower Division honors!)

Full Honors is successful completion of both Lower and Upper Division Honors

Lower, Upper, or Full Honors with World Language Studies (requires successful

completion of a language course at the 202 level or above)
