## **TREASURER MEMORANDUM: Student Finance Committee Appointment**

**February 23<sup>rd</sup>, 2021**

As Treasurer of the Associated Students of Northern Michigan University (ASNMU) and Chairperson of the Student Finance Committee (SFC), I have decided to appoint Sean Hausmann to the position of Student Finance Committee Member.

Sean's appointment was unanimously support by the interview committee. He is a Marquette native that hasn't had the opportunity to be routinely involved with any other student group and that in joining SFC it affords the ability to be connected through a web of events, which Sean is passionate about. This and his unique character make him a well-suited applicant to balance the current SFC.

Sean Hausmann understands the time commitment and responsibility this position requires and I am confident that Sean Hausmann will be an exceptional committee member. If you have any questions about this appointment, please feel free to contact me.

This appointment requires a simple majority vote of the General Assembly.

Sincerely,

Samantha Metcalf
