A. Emmanuel Idoko - Interview

1. Victoria (Treasurer): "This is Emmanuel, everyone. And do you want to tell us a little bit about yourself?"
2. Emmanuel: "My name is Manny, I'm from Massachusetts. I am a Freshman. My major is political science and I'm minoring in Economics."
3. Victoria: "Why did you choose to come to NMU?"
4. Emmanuel: "They have a really good law program I've heard. The teachers and advisors are very helpful to the students."
5. Dana (ASNMU President): "Have you ever been involved in any other group that is similar to SFC? Or do you know someone who has?"
6. Emmanuel: "Yes, I was class president my senior year of high school which came with a lot of responsibilities. I gained more awareness for Black History Month and Autism awareness while I was president."
7. Kelly (SFC Member): "What other student organizations or clubs are you a part of, or interested in?"
8. Emmanuel: "I'm part of the student law form group, and I am currently running for Birch West President."
9. Victoria: "That's amazing, good luck! How would you say you work in a team?"
10. Emmanuel: "I would say I am a natural leader."

11. Dana: "Describe a situation where you experienced failure, and how did you react to it?"
12. Emmanuel: "Maybe getting my wisdom teeth out. Apparently I did a lot of embarrassing things, and said a lot of embarrassing things. I get reminded of it by my friends a lot."
13. Mackenzie (SFC Member): "That's funny! What do you want out of the Student Finance Committee?"
14. Emmanuel: " Definitely the experience and to help a lot of different students."
15. Victoria: "Alright amazing. Anyone, any other questions? No? Okay, thank you so much Manny. It was nice to meet you."

B. Mitchell Forsberg - Interview

1. Victoria: "Welcome Mitchell, do you want to present yourself?"
2. Mitchell: "Yeah, so I'm Mitchell. I'm from Lansing. I'm a junior in the construction management program. And I'm on the ski team with Emily (SFC member). I don't have much to do with finance but I know it's a valuable skill so I want to get more experience."
3. Victoria: "So, what interested you about this?"
4. Mitchell: "I heard about it from Emily and everyone needs finance but especially for construction management it can be really important to have a good handle on it. I figured this would be a good way to learn."
5. Dana: "Have you ever held an executive position in, or been a part of, any other organization?"
6. Mitchell: "I was technically the Vice President for the Historical European Martial Arts club last year. I helped out with fall fest, but it was mostly professor run so I didn't have a lot of responsibility with that. I am a part of Green Athletics, construction club, and a lot of different club sports."
7. Mackenzie: "What do you want out of Student Finance Committee?"

8. Mitchell: "Mostly just learning, like I said I don't have much background in it so it's more just an interest in what you guys do and how it all works."
9. Kelly: "Describe yourself in a situation where you experienced failure."
10. Mitchell: "In sports in general, I mean you will fail sometimes and it's good to learn from it afterwards."
11. Dana: "Can you give us one of your strengths and one weakness?"
12. Mitchell: "I'm always doing a lot, which can be good and bad. Especially this year I am working to be more organized about my schedule and things I have to do, but sometimes things do slip past."
13. Victoria: "Perfect! Does anyone have any questions? No? Okay, thank you so much for coming in!"
