There would be several meetings in order to ensure that the students attending feel comfortable with what they will be talking about in these meetings. We are still finalizing the details, but we wanted to discuss this with you to get feedback and see what the interest would be.

VI. Executive Reports

A. President - Dana Hinckley

1. "Hi! I hope you all had a great break! Hopefully you all are aware that this is our last meeting of this semester. Just jumping off of the presentation, who wants to go to Lansing in March? Okay, amazing! We don't have much since the semester is winding down, but I did want to do a final semester get-together. Does Wednesday, December 11th at 6 pm work for you guys? Perfect! I will send out a google calendar invite then."

B. Vice President - Ruby Joseph

1. "Thank you guys for everything you did during this semester! My goal for next semester is to

really jump on recruitment before ASNMU elections in the Spring. I think it would be a good idea to do some tabling next semester. Maybe have it be a week-long process where everyone has a time chunk so we can really reach as many students as possible. We are supposed to have representatives from every college and we do not, so I think it would be good to promote ASNMU in those untouched areas so we can really hear everyone's voice. Also, I want to work on a World Mental Health Day event with Wellbeing for February since that can be a difficult time for some students."

C. Treasurer - Victoria Dybwad

1. Absent & Excused from meeting. Report given through email.
2. Here is the financial report for ASNMU and SFC for December 2nd, 2024: ASNMU has 2,011.54 dollars in the account, but there is a potential outstanding amount of 260.08 dollars that had not been charged yet. SFC had 3,810.83 dollars in the account and is hosting the EFG meeting for the fall this upcoming Thursday. For people that are curious, the EFG meetings happen at the end of the fall and winter semesters every year, where the different EFGs come and present to us how they used their allocated funds. SFC then evaluates how the money was spent and evaluates if the EFG deserves more, less, or the same allocation for the next semester explained in simple terms. Please let me know if you have any questions or concerns. However, due to the time difference, there may be a delay in the response.

D. Voice of the Assembly - Halle Johnson

1. "I sent out a When2Meet for the meeting time of GA next semester. If you haven't filled that out please do so."

E. Office Secretary - Kit Lidster

1. "I got an email from Queers & Allies about the 2025 NMU Gender Fair. This would be March 28th

from 10am-3pm and they have asked us to join them at this event. I asked all the questions but did not agree to anything yet and explained I needed to present this to you all first. It would be a non-partisan event focused on gender equality. They would just like us to have a booth set up with a game or stickers, something to entice people. If we have thoughts on this, please let me know. Also, Grad Closet is moving along nicely. We have pickups starting next week in the ASNMU office. All emails have been sent out and students are aware of their pickup and drop off responsibilities. Last thing, there is a Zero-Waste hockey game on January 25th, 2025 that we need lots of volunteers for so if you are interested please let me know!"
