**V. Executive Reports**

A. President

1. Dana: The Open Educational Resources (OER) has sent out an email with a form, please fill that out and encourage others to fill it out as it goes hand in hand with the course markings discussion. For Wellbeing Day, there may need to be a committee getting made in order for us to plan this if we want it to be recurring. The UP200 dinner is next Thursday at 6pm; myself, Victoria, Ruby, and Kit have been invited and will be going so we need to decide whether GA will be moved, canceled, or continue without us. (It was decided that it will happen without the E-Board as they are not voting members). Other good news is that the Bike Share has moved on to the next stage in the Green Fund process!

B. Vice President

1. Ruby: The tabling in the PEIF on Monday went well and there was good interest in ASNMU. More tabling events would be beneficial, especially in areas on campus that we don't have a representative for yet. More tabling for ASNMU will be happening on Friday, February 7th in Jamrich. There is also an event through the ODI called Letters to Legislatures from 9am-1pm in Jamrich if anyone wants to attend that. Anyone who has sent an email about committees has been responded to, and Ruby is now waiting to hear back from the committees with answers. There is an

interview next week for a new General Assembly member! The Farmer's Market committee is going to meet soon, and Ruby will be reaching out to anyone who said they were interested next week.

C. Treasurer

1. Victoria: SFC approved a budget for Culture Shock last week for their movie schedule this semester. SFC did have to deny the Law Forum Conference request as SFC cannot fund that. Currently, SFC has roughly \$13,000 and ASNMU has \$1,129.06.

D. Voice of the Assembly

1. Halle: Office hours need to be decided and declared by Monday, February 10th! Members need to be attending their office hours regularly so that we are available to students.

E. Office Secretary

1. Kit: The General Education Council is still looking for another person to join, if anyone is interested. The safe is still not open, but it is being worked on and should be accessible soon. The Grad Closet email is drafted and will be sent sometime next week. If any graduating ASNMU members have not gotten their stole yet, please let me know so we can get that to you. There is another Zero-Waste Game on Friday, February 21st; more volunteers are needed if anyone would like to come help. A response was sent to the AI issue email chain letting them know that we are a resource for student issues. Some of the packages from ASNMU that were ordered last semester are still missing, the hangers have been located but there are others still in limbo. The issue is being looked into and we should have everything soon.

**VI. Public Comment**

- A. Miguel: Are tunnel mural materials provided?
  1. They are not, the organization has to provide their own painting materials.

**VII. Good Of the Order**

- A. Ivy: The Community Get Together is being planned for the weekend of April 12-13th.
- B. Mitchell: The On-Campus Apartment snow clearing should be getting better now.
- C. Cassidy: ASNMU is Thinking of You event is next Tuesday and Thursday from 2-6pm in Jamrich.

**VIII. Adjournment**

A. Meeting adjourned at 7:14 pm.
