Condomonium Discussion	<ul style="list-style-type: none"> • Plan date is February 22nd it is confirmed. • The Condomonium event is on the big calendar.

	<ul style="list-style-type: none"> • It will be apart of winterfest <ul style="list-style-type: none"> ○ If people attend it they can win points for their hall. • The purpose of Condomonium is to make a safe and fun environment for safe consensual sex education. • The budget this year has increased by less than \$600 the reason for that s they will be doubling the amount of condoms, dental dams, and finger cots. • The games are a way for students to get involved. • There will also be individual booths for the different groups to give out information about safe sex. • Different groups: Queer and Allies, Women for Women, Planned Parenthood, Police Department, MERC, the Spectrum, Men Outside the Box, and the Nursing club. • This year they wanted to do more advertisement, which is why they purchased stickers. • They are giving out goodie bags and in these bags will be a combination of different things including condoms so they can start in the casino games, raffle tickets, and a thing with their mission statements. The goodie bags can also be a way of tracking attendance.
SFC Questions	<ol style="list-style-type: none"> 1) Do you have any supplies left over form the previous years? <ol style="list-style-type: none"> a) They believe they have game supplies, but not much more than that. 2) Where are you buying the supplies from? <ol style="list-style-type: none"> a) The office supplies they could purchase from the dollar store really cheap b) Wristband, raffle tickets will be purchased through Amazon. <ol style="list-style-type: none"> i) Wristbands will also be a way of keeping track of admittance. c) Condoms will come from a variety of websites. Most will be coming from Condom Depot. They will be getting the Trojan Condoms directly from the Trojan website. 3) Where was the event held last year? <ol style="list-style-type: none"> a) In the Lodge, but since the woods is done they are planning on going through the connector and spreading out into the lobby allowing more room. 4) What's your plan for the kissing booth? <ol style="list-style-type: none"> a) They have a part where you can take instagram picture, but they will have a jar filled with Hershey's kisses and you can guess how many kisses are in the jar and also take pictures with them. 5) What's your plan for the raffle? <ol style="list-style-type: none"> a) Each color of condom signifies a different number, they give them condoms the volunteers count them up and then they give out raffle tickets based on the number.
SFC Discussion	<ul style="list-style-type: none"> • Uses the student groups to make sure that it was educational. • Was worried about over crowding with attendance, but since they can open up another part they are not that worried. • Would like them to keep track of the games supplies throughout the year so that SFC is not buying game supplies every year.
