

Associated Students of Northern Michigan University
Proposal of a campus wide sculptural collaboration project

Presented on: 3/26/18

Adopted on: 3/26/18

Sponsor: Chair of Public Relations Chloe Anderson, ASNMU

Co-sponsor: Treasurer of ASNMU Sarah Schollmeyer, Students' Art Gallery, Students' Art League

Recognizing: These groups have funding to cover these installations. We have a limited area of sculptures on campus currently.

Noting: Our University has a wide variety of concentrations dedicated to artists enhancing their skills and passions.

Being: these young contributors would appreciate at an opportunity to be represented on campus.

Acknowledging: The idea of the artist being able to immerse themselves in this project without fear of cost is very important. Depending on the material and the duration for the projects existent on campus the budget would fluctuate.

WHEREAS: the creation of a committee to generate, complete and execute phases of the Campus Collab program through planning meetings, data collection and proposals.

WHEREAS: pending the completion of the planning process, students will be commissioned work, temporary and permanent to create art pieces fostering diversity and unity at NMU.

Therefore: making a difference of this campus and fostering the creative expression for all NMU students to enjoy.

Be it resolved: the creation of a Campus Collab Ad Hoc Committee. With the specific objective to develop the project by working with administration, ASNMU Reps, students and organizations.
