24 Hour Study Lounge

Changed slightly from all year, to during mid-terms & finals

Improved by offering coffee and treats (acknowledging food allergies)

Continuing to seek out a 24 hour option for students on campus or off.

Childcare Scholarship

On hold for now, but we're working on new ideas for gathering funds that are more practical than procedures used in the past.

Student Union

Still needed on campus

ASNMU Social

This is a project that is intended to bring together students in an attempt to better communication on our part.

Bringing surveys to the event that students can fill out, building a relationship with these students on a personal level.

SAM

We have continued our membership with Students Association of Michigan.

- Voter registration
- Students on the Board of Trustees
- Governing documents
- Legislation research
