

# ASNMU Update

Presented by Justin  
Brugman

---

# Bike-Share Program

- Finally up and running!
- We're advertising the program currently.
- Allocated funds for maintenance over the summer, so it can continue until snow falls again.

# Lansing Trip

- Talked to key legislators;
  - Rep. Joan Bauer
  - Rep. Bob Genetski
  - Rep. Steve Lindberg's Staff
  - Rep. Lisa Brown's Staff
- Mostly talked about the Business Leaders for Michigan's plan.
- More in depth conversation with Rep. Bauer about where NMU stands in all the proposed budgets.

# Let's Chat

- We hosted the City Manager and some City Council Members in January for a Let's Chat. A lot of discussion, very successful event. They hope to do more in the future.
- We had another Let's Chat with BOT Chair, Brian Cloyd. Small attendance, but still some pretty good conversation.
- Recommendations to the new ASNMU board: Have a Chair of Let's Chat, someone whose main duty is to schedule them and advertise them.

# It's Been a Great Year!

- Thank you for giving me the opportunity to address you throughout the year!

# ASNMU

Associated Students of Northern Michigan University

**This  
coming  
year!**

# Three main goals

- Parking
- School Spirit
- Communication
