

# BUSINESS BUZZ

Vol. 12 Issue 3  
Tuesday, March 2, 2021

## Internship Opportunities

**Upper Peninsula Health Plan** currently has two Operations Internships available at their company. This is an excellent opportunity for college of business students to enter the health care sector. [Click here](#) to read the job description and to apply.

## 2021 Summer Venture in Management Program

**Harvard Business School's** Summer Venture in Management is a one-week residential educational program for rising and graduating college seniors designed to increase diversity and opportunity in business education. College of Business students are encouraged to take advantage of this opportunity. [Click here for more information on the Summer Venture in manage Program](#). The due date for the application is April 26, 2021.

## Job Opportunities

**Invent@NMU** has positions available

Below are Invent@NMU position opening with Handshake links attached:

- **Student Project Manager** (3 openings)
- **Student Mechanical Engineering Technologist** (2 openings)
- **Student Industrial Designer** (1 opening)

These positions are all currently offered remotely and will transition to in-person in the near future.

**Pictured Rocks National Lakeshore** has an open IT specialist position. Students are encouraged to apply for this position as soon as possible, because the position closes on March 5th, 2021. Here are some tips when applying:

- Resume needs to state Month/Year to Month/Year AND hours worked per hour for each work history.
- Must submit transcripts (they DO NOT have to be originals)
- If the transcripts clearly show you are still enrolled in school (i.e. the transcripts show classes in progress), then transcripts are fine, IF NOT, you must upload something from college that shows you are still actively enrolled, and they need to know when you are expected to graduate.
