

COMPOSTING @ NMMU

ACCEPTED MATERIALS:

- Fruit and vegetable scraps (remove the stickers)
- Egg shells
- Bread, pasta, rice or cereal
- Coffee grounds and tea leaves
- Grass clippings
- Garden weeds
- Leaves
- Twigs
- Mulch
- Sawdust
- Torn up paper

UNACCEPTED MATERIALS:

- Meat and fish
- Dairy
- Citrus fruits
- Large pits
- Salty foods

Storing Scraps: Keep scraps in a plastic bag or storage container in the freezer until ready to drop off at the NMU Hoop House.

LOCATION: Just North of campus is the Jacobetti Complex. Across from this building is the NMU Hoop House, which is where you can drop off your scraps to be composted. Indicated by the yellow star on the map.
