- Kings Bay, Georgia
- Pearl Harbor, Hawaii
- Bangor, Washington
- Washington, D.C.
- Norfolk, Virginia

WHAT WE DO

<https://youtu.be/recgNGI3FWA>

A SUBMARINE IS...

A vessel that does not need refueling during its entire service life...

A SUBMARINE IS...

A vessel that is virtually silent while underway...

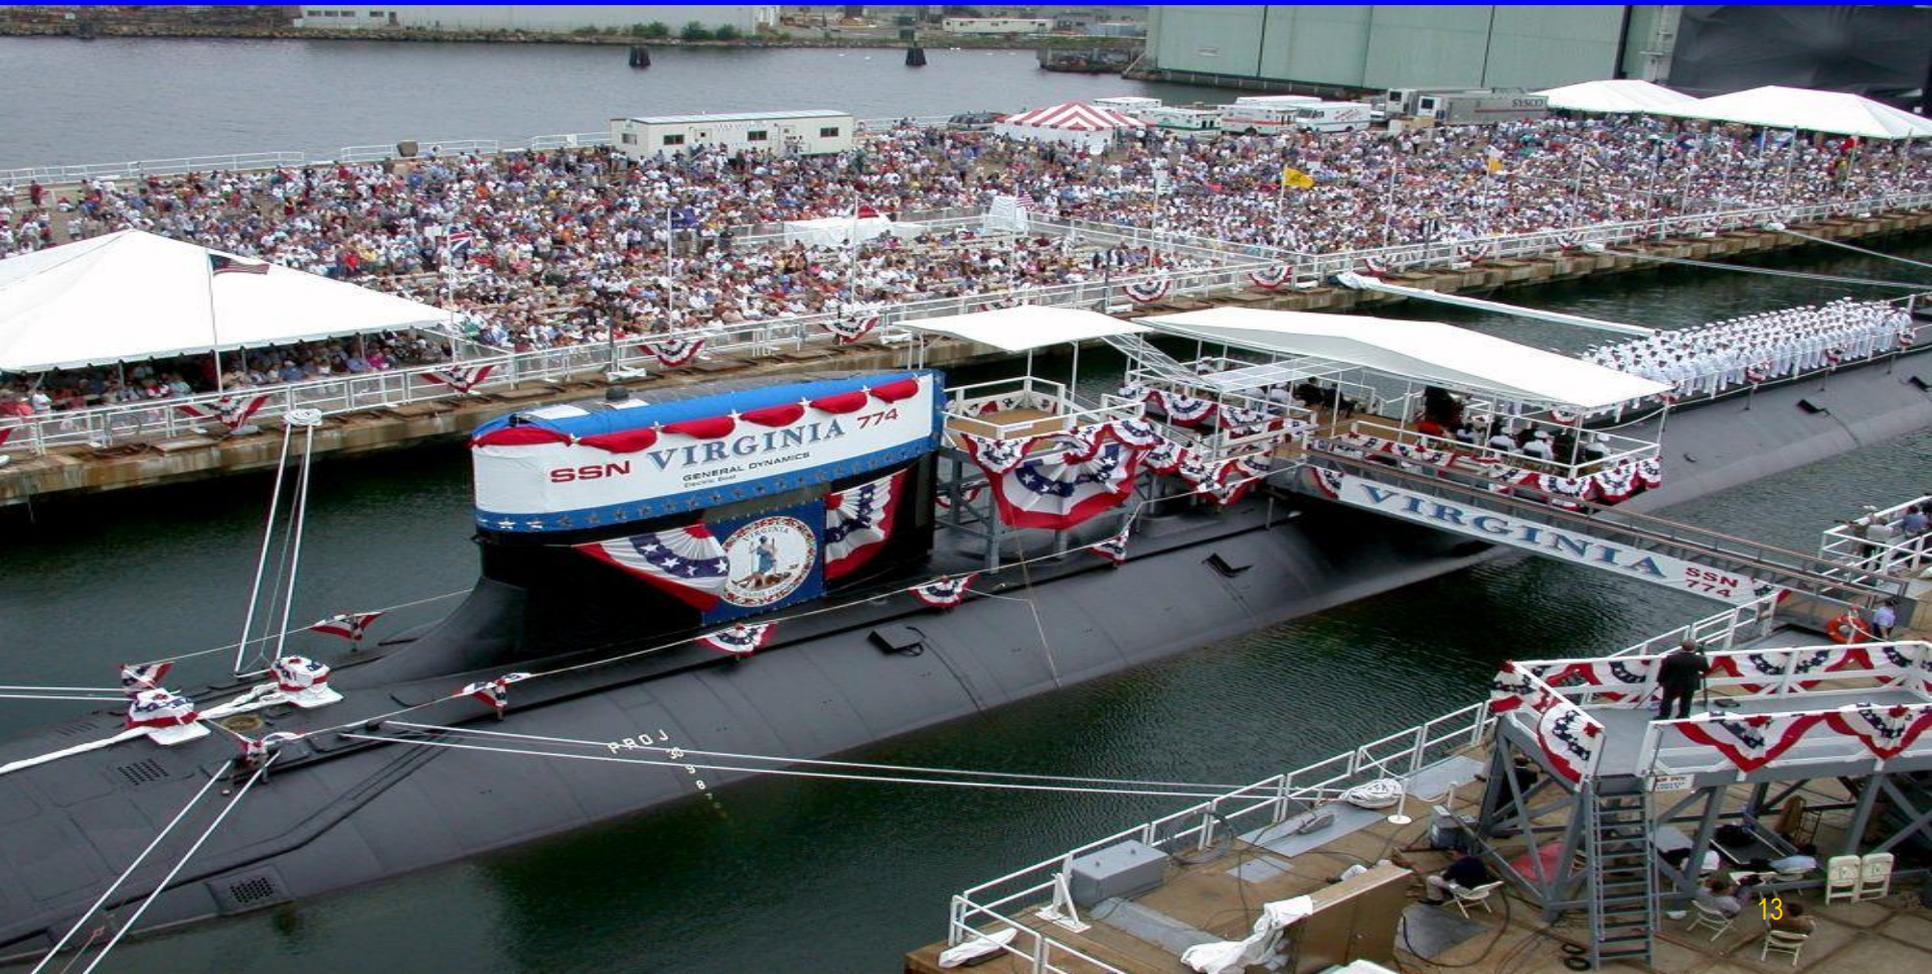

A SUBMARINE IS...

A vessel that protects freedom.

WHY WE DO IT: OUR PURPOSE

We deliver the advantage that protects our Sailors, our Families,
and our Freedom!

WHY WORK FOR ELECTRIC BOAT?

**My Electric
Boat Story**

NEW HIRE RESOURCES

New To Electric Boat?

Wildfire Wiki

A central repository for resources and information that can make our working lives easier. Created by EB employees, for EB employees.

New Hire Wiki

A place to provide newly hired engineers the basic administrative and technical information to assist them in assimilating into the corporation.

Computer Systems Support

Your one stop IT shop for all computer resource information.

New Hire Blogs

No matter how long you've been at EB, you were once a new hire. How did it feel coming aboard? Did you wish you had someone to talk to or share your experiences with? The New Hire Blog was designed to provide all members of the EB community, especially new hires, with a safe environment to share their experiences, strategies for coming up to speed, general information and help, as well as build a network with like-minded individuals.

COME ABOARD!

Join a team that is making a difference!
