

CHSPS

STATE OF THE COLLEGE

2018

Overview

Nine Departments

- Military Science
- Clinical Sciences
- SELPS
- SHHP
- Engineering Technology
- Criminal Justice
- Social Work
- Nursing
- Counseling and Consultation Services

Total enrollment

- 2,336 (fall 2018)
- Steady decline – nearly 3,000 in 2012

Military Science

- Minor only – 25 fall 2018 (42 in 2012)
- Instructors are retired and active military
- Students (cadets) commission as officers
 - Popular disciplines
 - Nursing
 - CJ
- Most pressing issue: enrollment

School of Clinical Sciences (7 accreditations)

Programs

- Clinical Health Science (BS) – 21 fall 2018 (25 in fall 2012)
- Clinical Laboratory Science (AAS & BS) – 71 (102)
- Clinical Molecular Genetics (MS) – 24
- Radiography & Pre (AAS) – 85 (80)
- Speech, Language and Hearing Sciences (BS) – 68 (67)
- Surgical Technology & Pre (AAS) – 36 (69)
- Fall 2017 – New online CLT/MLT to CLS/MLS BS – W 19 – 22 new students (30 pending)

Most pressing issue(s):

Qualified faculty

SELPS – (nationally accredited)

Total Enrollment – fall 2018 – 437 (550)

Eight graduate programs and certificates – 157 (222)

Undergraduate programs and certificates – 280 (328)

Workplace Leadership (online)

- BS – 36 (5 first year)

SELPS

13 Faculty including the DH (Charter Schools)

Most pressing issue:

- Enrollment

SHHP

Programs (Graduate)

- Athletic Training - 75 (91 in 2012)
- Exercise Science – 29 (31)

Programs (UG)

- Community Health – 40 (49 - 2012)
- Management of Health and Fitness – 62 (69)
- Outdoor Recreation Leadership and Management (ORLM) – 111 (80)
- Physical Education – Coaching – 30 (40)
- Physical Education – Secondary Education 19 (37)
- Sports Science – 112 (79)

SHHP

15 Faculty including DH

Most pressing issues:

Balancing graduate/UG programs; ATR accreditation

Engineering Technology (ABET Accredited)

BS Programs – 231 (238 in 2012)

- Electrical Engineering Technology – 36 (34)
- Industrial Engineering Technology – 24 (19)
- Mechanical Engineering Technology – 113 (90)
- Secondary Education Industrial Technology – 6 (8)

AS Programs

- Computer Numerical Control Technology - 10
- Electrical Technology - 23
- Engineering Design - 17

Certificate

- Computer Numerical Control Technician - 2

Minors

- Alternative Energies
- CNC Technology
- Contracted
- Electronics
- Engineering Design
- Industrial Electrical

Engineering Technology

Seven Faculty – Including DH

Most pressing issue:

- Finding qualified faculty

Criminal Justice

BS Programs - 293 – Fall 2018 (424 in 2012)

- CJ – 222 (327)
- LPM – 7 (33)

AS Programs

- CJ – 54 (39)
- AAS in Law Enforcement – 10 (4)

Minors

- CJ
- LPM
- Wildlife Conservation Crime & Policing

Criminal Justice

Five Faculty – Including DH (currently searching for DH)

Most pressing issue:

- Consistent leadership

Social Work (CSWE Accredited)

MS Program – 13 early applicants (starting fall 2019)

BS Program – 96 (152)

Six Faculty – Including DH

Most pressing issue:

- Getting the MSW up and running and accredited

School of Nursing

DNP- 17 admitted for fall 2018 (19 in 2016)

BS Programs – 486 (591 in 2012) [Includes pre-nursing and nursing]

- LPN to BSN
- Generic BSN
- RN to BSN (online starting in January 2018 – 52 enrolled as of fall of 2018)

LPN

- Pre-LPN: 14 (33 in 2016)
- LPN: 27 (29 in 2016)

School of Nursing

Number of Faculty – 23 including DH

Most pressing issue(s):

- DNP modification (MS step-out)
- Hospital move and clinical sites
- LPN enrollment, resources and accreditation

Counseling and Consultation Services

Number of non-instructional faculty: 3 (1 recent resignation/DH is open)

- Currently searching for new counselor

Enhanced models being discussed

- Varied counseling hours
- Different locations
- Peer counseling

Most pressing issue:

- Implementing an enhanced model
