Beaumier

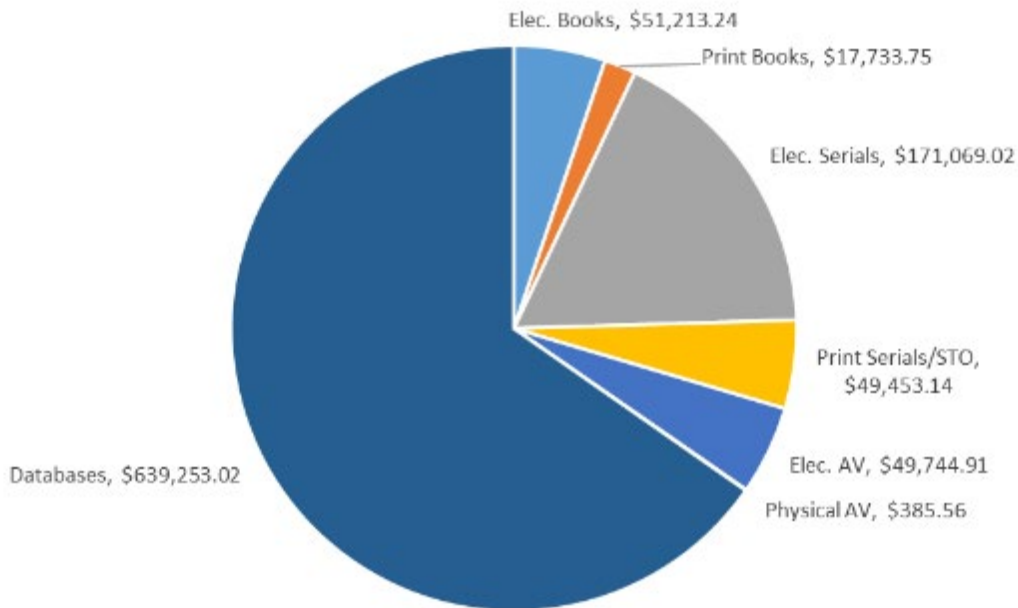

IDT/CTL

# OLSON LIBRARY

FY 2019 library collection spending by type

# OLSON LIBRARY

## Opportunities

- New website
- Migrating to new library system
- Strong interdisciplinary partnerships
- Strong relationships with public libraries in the UP
- Dedicated faculty & staff
- Consortia memberships

## Challenges

- Old space that doesn't adequately serve the needs of the campus
- Ph.D. programs
- Decreased faculty & staff limits ability to provide contemporary services
  - Copyright & open licensing
  - Research data management
  - Digital scholarship
  - Scholarly communication & digital publishing

# CENTRAL UP ARCHIVES

## Opportunities

- Federal grant to plan a regional digitization hub
- Participation in national research project about primary sources in curriculum
- Unique collections that are valuable to region's history

## Challenges

- Limited faculty time
  - To process and digitize collections
  - To weed collection
  - To create metadata

# INSTRUCTIONAL DESIGN & TECHNOLOGY

## Opportunities

- Scholars & staff building strong relationships
- New technologies (VR & Studio 102)
- HLC feedback led to investment in faculty training to teach online
- Scholarship of teaching & learning

## Challenges

- Limited capacity in IDT and IT to expand services and support
  - Media production
  - Adaptive learning
  - Learning analytics
  - Video captioning

# BEAUMIER UP HERITAGE CENTER

## Opportunities

- Combined with Alumni Welcome Center & Center for UP Studies
- Strong community relationships
- Talented director

## Challenges

- Student engagement
- Lack of clerical support or other staffing to support the director
