HEERF II Emergency Grant

Dear !

Northern Michigan University (NMU) is accepting applications for emergency grant funds approved through the Higher Education Emergency Relief Fund (HEERF) monies, which are part of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA). These funds are meant to provide financial aid grants to students, which may be used for any component of the student's cost of attendance, or for emergency costs that arise due to the coronavirus - examples include tuition, food, housing, books/supplies/technology, transportation, health care (including mental health care), or child care.

Maximum Grant:

- $800 - 12+ undergraduate credit hours enrolled
- $600 - 6-11 undergraduate credit hours enrolled

- Must be admitted into eligible degree or certificate program.

Applications will be considered through **April 12, 2021,** or until the funds have been exhausted.

Submission of this application does not guarantee grant funds. The amount of the award will be based on eligibility, the amount requested, enrollment level (see maximum award amounts listed above), available funding, and the number of applications received. The Financial Aid Office will notify students of their grant awards through their NMU email address.

If you are awarded an emergency grant, the funds will automatically be sent to you using direct deposit or a check to the address you have listed in your NMU record. The emergency grants will not be automatically applied toward any outstanding charges on your student account unless you indicate otherwise in the selection below. Direct deposit is the quickest way to receive these funds, once awarded. To sign up for direct deposit (ACH) to your bank account, log into **mynmu.nmu.edu**, go to eBill, and click on the Refunds tab.
