Student Name _____ **NMU IN** _____

If your parents (contributors) are willing to provide information on the FAFSA, check the box on the left, skip the other sections, sign, and submit this worksheet to the Financial Aid Office. You will then need to update your FAFSA at studentaid.gov and change the answer to the Unsubsidized Loans only question from "Yes" to "No", then send an invite to your contributors to fill out their portion of the FAFSA.

You indicated on your 2026-2027 Free Application for Federal Student Aid (FAFSA) that you have special circumstances regarding your family situation and therefore you did not provide parental information. Under the Higher Education Opportunity Act (HEOA), dependent students may be eligible to receive only Federal Direct Unsubsidized Loans if the parents have ended financial support and refuse to file the FAFSA.

This request only applies when the parent refuses to complete the FAFSA. Unsubsidized loans cannot be awarded to a student whose parents refuse to submit verification documents or cease support after providing information on the FAFSA.

If you did not provide parental information on the FAFSA due to an abusive family environment, neglect, or abandonment by the parents, please contact the Financial Aid Office to speak to a counselor in regards to an Unusual Circumstance. The form can be found here: [Unusual Circumstances Appeal form](#).

If your parents are unwilling to complete the parent section below, please provide third party (teacher, counselor, clergy member, court, etc.) documentation describing the student relationship with the parent.

Parent By signing this form, I certify that one or more of the following statements below are true:
