Other:

Upon approval by the Financial Aid Office, I accept the award as adjusted. I will use all financial assistance, including Federal Title IV funds for educational expenses only. I understand that all of the funds, other than employment, may be applied directly to my University charges. **I understand that a reduction in my loans may result in a balance due on my student account/bill and I will be responsible for the balance due. Failure to pay may result in late fees and the placement of a hold on my student account.** I will also abide by the university regulations governing refunds of scholarships, grants and loans not used for educational expenses. I understand that adjustments may be made based upon any supplementary aid I receive from other sources, changes in housing arrangements or changes in State and/or Federal funding. I also understand the University's Satisfactory Academic Progress requirements.
