

**Northern Michigan University  
Center for Forensic Anthropology  
Presents:  
Alternate Light Source Workshop**

**Instructor: Special Agent Leslie S. Larsen, Senior Team Leader, Evidence Response Team, Detroit FBI**

Join us for a one-day ALS workshop designed to provide students with intensive hands-on experience in using ALS techniques to identify body fluids, fibers and more on crime scenes. Students will also learn how to properly document their results in written reports and photography.

**Required Equipment: DSLR Camera with macro lens & shutter release, Tripod.**

**If your department has ALS equipment, please bring that to class.**

**Attendees will be issued kits to keep that include two ALS Beams (450nm and 395nm) and appropriate goggles.**

**February 13, 2024**

**9:00 a.m. – 5:00 p.m.**

**Location: Jacobetti Complex Rm. 504**

**2296 Sugarloaf Ave.**

**Marquette, MI 49855**

**Cost: \$30.00**

**To Register: [CVENT](#)**

**Registration Deadline: January 31, 2024**

**Please see the attached course description for more information.**

**MCOLES Credit for Michigan Law Enforcement Officers**

**This class qualifies for continuing education credits.**

**Please contact Carley Leanes at (906) 227-1144 with any questions.**
