

## Scenario Based Death Investigation Bridging Theoretical & Practical Evidence

Instructors: Karen Holt, Ph.D., Assistant Professor & Criminologist, Michigan State University, School of Criminal Justice

David Eddy, Retired, Michigan State Police

Jane Harris, Ph.D., Forensic Anthropologist, Director, Northern Michigan University, Center for Forensic Anthropology

Join us for a 1.5 day (12 hr.) training that will provide attendees with instruction on suspectology, victimology, behavioral evidence, and practical homicide techniques. Attendees will participate in classroom instruction, case study analysis, and scenario-based exercises to learn about the evaluation of crimes for the purpose of identifying suspects in homicide investigations, understanding the relationships between victims and offenders, and the analysis of crime scene evidence and investigative techniques.
