Present: Kim Barron, Dwight Brady, David Donovan, Jill Leonard (Chair), Andy Poe, Kim Rotundo, Robert Winn, Kristen Smith

1. Approval of Minutes: 10/2/2013 meeting minutes approved.

2. Announcements

Presentations –

- History meeting done by Jill with discussion topics mentioned below.
 - How the outcomes will be mapped to disciplines.
 - Interested in Rubric use as assessment method.
- Occupational studies meeting done by Mike with no report.
- Jill will be updating the list of department meetings and send out to members.

Learning Outcome Models –

- L.O. Model - categories based solely on the L.O. with no disciplinary categories.
- Linked Model – disciplinary categories or divisions where responsible for covering L.O.'s
- Decoupled Model – disciplinary categories and L.O. categories so that students basically must meet two lists of requirements.
 - Discussion on each models pro's and con's as well as what we could see being in each model and which model might be embraced by the university. Also, what about graduation requirements? (i.e. lab science, world culture, HP 200)
 - Next time will bring HLC requirements to ensure we are meeting those rules.

3. Reminders

- Posting site for mock presentation
<http://youtu.be/LjvSVGkF8Bc>
- GEC web page progress - The new GEC web site is now available at www.nmu.edu/gec .
Let Jill know what content should be posted to the site.
- Reminder to work on L.O. rubric development.

4. Good of the Order - none

Respectfully submitted,
Kristen Smith
