Small Business Stores

Owned By:

People of Color

LGBTQ+

And Those
With A

Disability

Hello!

For my final project I have decided to create a cohesive list of small businesses owned by People of Color, LGBTQ+, and/or those who have a disability.

This list is to show that there are more stores out there than just big capitalistic industries (*like amazon*) to buy from especially during this holiday season.

Note:

Due to these being small businesses there is a chance that the items in this magazine have been sold-out due to some of the products being one-of-a-kind! So please, keep that thought as you look at these wonderful products.

Table of Contents:

Owned By:

People of Color..... 4 - 9

Shea Bakery
Wasi Clothing
Morgans Beaded Designs
Kats Cradle Crafts
KashKosmetix
JustanXpression

LGBTQ+..... 10 - 15

Nebula Thrift
JacobxStephen
Crookddesigns
Abercorn Small
Bad JuJu Mask
Rising Violet Press

Disabled People..... 16 - 21

Hedgiecapped
Chaotic Bling
Horcruxlux
Overly Optimistic Art
Hope Caitlin Treasures
Sick and Tired Art

Note:

Some of these store owners may be a combination of a Person of Color, LGBTQ+, or disabled. People are more than one characteristic! This is just for reference in the magazine. NOT to put people in boxes.
