Danielle Pignatelli

*Change is coming
whether they like*

it or not.

-Greta Thunberg

2

The sounds of a
climate strike

WINONA LADUKE
b. 1959
Indigenous Activist and
Environmentalist

Someone needs to explain to me why wanting clean drinking water makes you an activist, and why proposing to destroy water with chemical warfare doesn't make a corporation a terrorist.

GRETA THUNBERG
b. 2003

Started the Strike For Climate movement

The eyes of all future generations are upon you. And if you choose to fail us, I say - we will never forgive you.

JANE GOODALL
Primatologist
b. 1934

The greatest danger to our future is apathy.

WANGARI MAATHAI
b. 1940 d.2011
Started the Green Belt
Movement

The generation that destroys the environment is not the generation that pays the price. That is the problem.

Franziska Barczyk

Melinda Beck

Annie Zhao

Perrin Ireland

Marylu E. Herrera

Carole Bouville

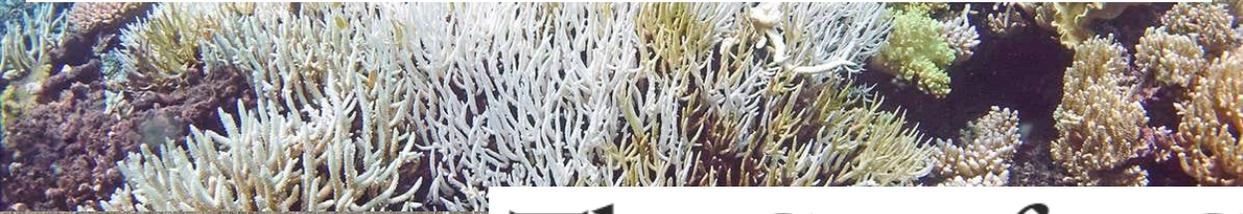

Ashley Cecil

'Ecological grief' grips scientists witnessing Great Barrier Reef's decline

Studying ecosystems affected by climate change takes an emotional toll on researchers.

The Case for Climate Grief

Let yourself feel how bad this is

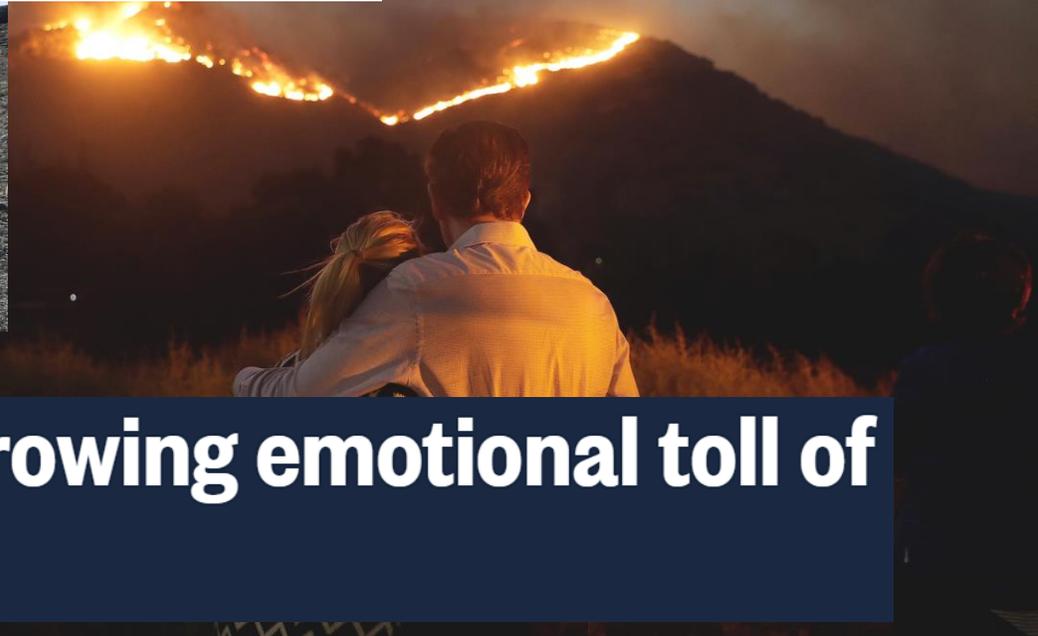

The Hidden Mental Health Costs of Climate Change

5

A new report from the World Health Organization warns that the climate crisis is already spreading disease, and could also trigger anxiety, depression, and PTSD.

'Climate grief': The growing emotional toll of climate change

“Ecofeminism can be seen as a movement that sees a connection between the exploitation and degradation of the natural worlds and the subordination and oppression of women” -Sejal Tanwar
