EARLH
IS A
WOMAN

TABLE OF CONTENTS

- I. Ecofeminism.
- II. Gender Mainstreaming.
- III. Equality for all women.
- IV. The Forgotten.
- V. An Intersectional world.

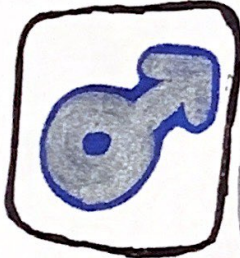

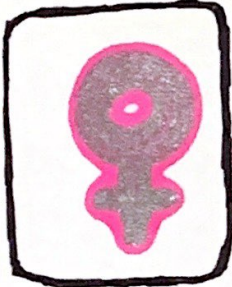

ECOFEMINISM

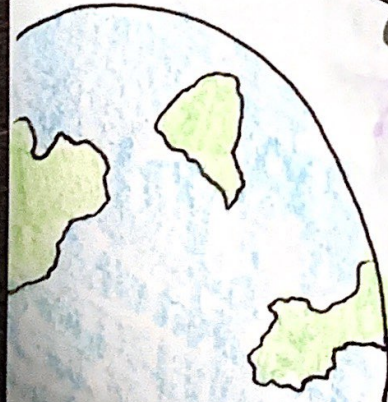

WOMEN ARE INNATELY CONNECTED TO THIS EARTH, AND IN TURN CONNECTED TO ENVIRONMENTALISM. MOTHER EARTH, GAIA, IS EVEN GIVEN THE GENDER OF FEMALE. THE EARTH NURTURES US IN ALL WE DO, WITH ITS ABUNDANCE. GAIA WAS NAMED THIS BY A MAN TO HONOR HER STRENGTH AND POWER SHE POSSESSES. THE EARTH IS A WOMAN, BOTH UNDENIABLE POWER.

INCORPORATING PEOPLE OF ALL GENDERS FOR EQUAL OPPORTUNITIES IS ESSENTIAL. IT IS IMPORTANT TO ACKNOWLEDGE MINORITIES INCLUDING WOMEN, POC, AND OTHER GENDERS WHO ARE ALSO MARGINALIZED. TO ACHIEVE EQUALITY GENDER MUST BE CONSIDERED AT EVERY LEVEL IN EVERYTHING WE DO.

...
etc.

GENDER
MAINSTREAMING

EQUALITY FOR ALL WOMEN

BELL HOOKS IS ONE OF SEVERAL FEMINISTS WHO HAVE CALLED OUT THE PAST FEMINIST REVOLUTIONS FOR BEING EXCLUSIONARY OF MANY WOMEN, PARTICULARLY MARGINALIZED ONES. THESE THEORIES FOCUSED ON THE WHITE, MIDDLE CLASS, WESTERN WOMAN AND DID NOT CONSIDER PERSPECTIVES OF MANY OTHER AMAZING AND VALID WOMEN.

AS THE WORLD IS REVOLUTIONIZING TECHNOLOGY IN ORDER TO APPEASE THE EVER CHANGING ATMOSPHERE, ONE WOMAN IS SUFFERING AT THE EARTH'S VICTORY. THESE ARE THE WOMEN OF RENEWABLE ENERGY PLANTS IN THE GLOBAL SOUTH WHO ARE LOSING EVERYTHING AT THE HANDS OF SOCIOECONOMIC GROWTH, AND ANTHROPOGENIC CLIMATE CHANGE. INTERSECTIONALITY IN SOCIETY COULD HELP THESE WOMEN POTENTIALLY SUCCEED LIKE MEN ARE IN THESE COUNTRIES.

THE FORGOTTEN

AN INTERSECTIONAL WORLD

A DREAM WORLD. UTOPIA. PARADISE. NO BUT REALLY, A CONCEPT THAT COULD SPARK THE CHANGE WE NEED TO SEE FOR WOMEN, ALL DEMOGRAPHICS, AND THE EARTH. THE ENVIRONMENT IS CONNECTED MORE THAN WE THINK TO US. EQUALITY FOR ALL STARTS WITHIN US AND GAIA.
