

	The Northern Michigan University Master's of Science in Athletic Training prepares students to sit for the national board exam (BOC) in Athletic Training. All states that regulate the practice of Athletic Training (licensure, registration, etc.) recognize BOC certification, thus all students that successfully pass this exam are eligible to obtain a license (or other state regulation) in their respective state. California does not currently regulate the practice of Athletic Training.
State	NMU Curriculum Meets Educational Requirement for Licensure or Certification
Alabama	Meets
Alaska	Meets
Arizona	Meets
Arkansas	Meets
California	NA*
Colorado	Meets
Connecticut	Meets
Delaware	Meets
Florida	Meets
Georgia	Meets
