# **Tutorial 1-Login to the Analytics Portal**

This tutorial shows how to login to the Analytics Portal.

## Step 1:

Go to the IE webpage: https://nmu.edu/institutionaleffectiveness/

### Step 2:

Click the Decision Support tab on the top of the screen.

#### **About Institutional Effectiveness**

The Institutional Effectiveness office (IE, formerly Institutional Research, Planning and Assessment or IRPA) supports the University's mission by conducting the annual 10th day census of the student body, completing key state and federal reporting requirements, fulfilling the institution's accreditation responsibilities, supporting university assessment in both academic and auxiliary services, and providing analytical and research support to better understand the performance of our students and how best to help them achieve their goals.

Mission, Vision, Values Department Responsibilities Office Staff Data Request Process

If you'd like to submit a request for data to the institutional Research staff, please do so through our data request submission form. You will receive a confirmation email that your request has been submitted properly and a staff member from the office will contact you for further details.
