

# FALL 2023 MISSION THEMES

## Academic Excellence and Real-World Learning

A quality education with emphasis on critical thinking, hands-on learning, and practical skills for future careers

## Affordability and Accessibility

An affordable educational experience, accessible to a broad range of students

## Campus Culture and Experience

A small campus that supports meaningful connections between students, faculty, and local community

## Community Engagement and Service

Lasting community connections within the university and across the Upper Peninsula

## Innovation and Creativity

A culture of creativity, forward-thinking, and entrepreneurial spirit

## Development, Exploration, and Lifelong Learning

Ongoing opportunities for continuous learning and personal development

## Diversity and Inclusivity

A commitment to ensuring a welcoming and community-oriented atmosphere

## Safety and Wellbeing

A safe and healthy environment for all members of the campus and university community

## Student Support and Success

A comprehensive support system to help students achieve academic and personal success

## Sustainability and Environmental Responsibility

Dedicated to improving sustainability and environmental stewardship
