General Information

Housing – www.nmu.edu/housing

Option 1: The Woods consist of three residence halls, which has six buildings. All have four floors with a central corridor connecting them to the Northern Lights Dining Facility. There are classrooms, study spaces, and a 24/7 front desk in the facility. The Woods also has a large 24/7 multipurpose room, The Lodge, with an outdoor patio, fireplace, study spaces, and the opportunity to host university events.

Option 2: The Dorms consist of 6 residence halls. Each hall is comprised of smaller communities, called houses, of about 45 students each. These houses share the hall identity, but have their own personalities, expectations, traditions, governments, and activities.

Option 3: The Apartments house more than 650 members of the campus community in its well-maintained apartments and townhouses. The on-campus apartments feature one, two, and four-bedroom units.

(Please note: To live in apartments, students must be 21 years or older or have completed at least 56 credits)
