## Request for Optional Practical Training STEM Extension

The International Programs Office (IPO) requires this form be completed by F-1 students applying for OPT STEM Extension. Students must meet with an IPO staff member no earlier than 90 days prior to their current OPT end date.

### STUDENT INFORMATION

Name: \_\_\_\_\_ NMU IN: \_\_\_\_\_

SEVIS ID: \_\_\_\_\_

Current OPT End Date: \_\_\_\_\_ Degree CIP Code: \_\_\_\_\_

Phone Number: \_\_\_\_\_ NMU Email: \_\_\_\_\_

### STUDENT REMARKS

In the box provided, please write a short description of how your planned STEM Extension employment relates to your major and the courses you studied while at NMU. This description should be 3-4 sentences and will appear on your I-20 form.

### STUDENT CERTIFICATION

- I understand that I must be employed by an E-Verified employer.
- I understand that Northern Michigan University is required by federal regulations to maintain my SEVIS record for the full period of the OPT including OPT STEM Extension. By signing this form, I certify that the information above is correct.
- I will report any changes to my U.S. future mailing address within 10 days to the International Programs Office and in the SEVP Portal.
- I will report any employment changes or updates including unemployment within 10 days to the International Programs Office and in the SEVP Portal.
- I understand that while on an OPT STEM Extension, I cannot be unemployed for more than 150 days.
