**The quality care
you need with the
convenience you want**

Speak to a licensed
doctor by web,
phone or mobile
app in minutes.

Discover why Teladoc is the most trusted telehealth provider in the world

Teladoc provides you with 24/7/365 access to U.S. board-certified doctors by phone.

ANYTIME, ANYWHERE

Teladoc does not replace your primary care physician. It is a convenient and affordable option that allows you to talk to a doctor who can diagnose, recommend treatment and prescribe medication, when appropriate, for many of your medical issues.

TREAT MANY CONDITIONS

- Sinus problems
- Bronchitis
- Allergies
- Cold and flu symptoms
- Respiratory infection
- Ear infection
- **And more!**

HOW TO CONTACT

Phone: 1-800-835-2362

Web: www.teladoc.com

App:

Schedule a doctor visit, manage your medical history, or even send a prescription to the nearest pharmacy – all from the palm of your hand.
