## Academic Information

The students are very nice and welcoming. What I enjoy most here is the variety of fruit they have.

I feel grateful that people in UIC are all kind. I can easily ask questions to teachers which helps me keep having interest on courses.

Studying in UIC has vastly improved my ability to adapt, my language skills, my confidence in living on my own, and my academic prowess.

At UIC there's a welcoming environment where there's a chance to grow as a person every day.

Living in dorms is convenient because our roommates are great helpers to do everything in China!
