Activate a new user account

Need help? [Contact the Help Desk](#) at 906-227-2468

Enter the following information:

- First Name:
- Last Name:
- SSN: Enter your NMU IN (this number is on your admission letter)
- BirthDate: MM/DD/YYYY

Click “**Login**”

**NMU New Account Activation**

Please provide the necessary information to proceed with activating your NMU Account

**! This procedure will work only once for a new user account.**

After completing this procedure go to <https://myuser.nmu.edu/user> for your account status or to make changes.

**Password Recovery**  
Lost or forget your password and previously set your password recovery information? Go to: <https://myuser.nmu.edu/recover>

Need help? [Contact the Help Desk](#) at 906-227-2468

Please follow the instructions on the next few screens. At the very end you will see a screen that will display your NMU username, NMU email and NMU IN.

**Please remember the password** you create during this process as you will need it to log into your MyNMU account.
