MBA

6 Reasons earning your MBA is possible:

1. You do NOT need a business degree to join the MBA Program (prerequisite courses required).
2. The Global Campus option allows for you to complete your MBA 100% online.
3. Competitive scholarships are available for graduate students (application required).
4. With full-time attendance, complete your MBA in one calendar year or space it out to meet your needs.
5. 7 different start dates throughout the year. No need to wait until a new semester to begin.
6. All courses are offered in the evening.

Why get an MBA?

A Masters of Business Administration (MBA) provides students with the skills and confidence to become ethical, creative leaders. You will learn how to invent, transform, and inspire by working with real companies. In addition, you will solve actual problems and add value through analysis, innovation, and planning.

*NMU currently offers three specialized MBA tracks:
Accounting (4+1), Business Analytics, and a general MBA*
