

# Bonus

*Frederick "Fritz" Nelson with his buddies from NMU days. Front row: George Coombes, Bob Field. Back row: Jim Wachowski, Neil Reinhout, Nelson, Bill Oller, Doug Pfluke, Ron Bignall. Photo by Ken Gibbs. The truck is a 1952 Dodge Power Wagon that Nelson uses for field work in northern Michigan.*

## **Horizons needs your help!**

For future issues we're hoping to focus on both inventors and love at NMU. If you are an inventor or know of alums who have invented amazing things or if you have a great story you'd like to share about falling in love at Northern, please let us know. E-mail [horizons@nmu.edu](mailto:horizons@nmu.edu). We always welcome your thoughts.
