

LOSS PREVENTION MANAGEMENT ONLINE BACHELOR OF SCIENCE DEGREE

Transfer Guide for Northwestern Michigan College

Northern Michigan University's bachelor's degree in loss prevention management will prepare specialists and managers on the concepts, series and best practices associated with the field. Students will learn basic theories and concepts, as well as organizational fundamentals including goals, missions, objectives, functions, operations, and roles. Classes will delve into management theory, investigative techniques and data analysis specific to loss prevention.

The focus of this program is to develop well-rounded students able to effectively work anywhere in the country in their field. Courses are designed to give students applicable knowledge for any division of loss prevention as they enter the work force.

TIME AT NORTHWESTERN MICHIGAN COLLEGE

Students can earn an A.A.S. in law enforcement from Northwestern Michigan College before enrolling in loss prevention management courses at NMU and may transfer up to ninety (90) credit hours.
