

Cannabis and Plant-Based Wellness Operations

ONLINE ASSOCIATE OF APPLIED SCIENCE DEGREE

Transfer Guide for Oakland Community College

100% ONLINE | EMERGING INDUSTRY | WORK WHILE YOU LEARN

The Cannabis and Plant-Based Wellness Operations A.A.S. focuses on the development of frontline skills needed for careers in the quickly expanding cannabis and other plant-based wellness retail industries. Students develop the competencies needed to interact with and lawfully instruct others about cannabis and other plant-based wellness, including how plant-based products can impact systems in the human body. Regulatory components of cannabis and other plant-based wellness retail operations including processes for establishing compliance protocols as well as practices for remaining compliant are emphasized. Instruction incorporates traditional use of cannabis and other plants for wellness.

TRANSFERRING CREDIT FROM OCC

Unless otherwise designated, a grade of at least a C– is required for courses to be considered for transfer. A minimum of 16 semester hours of credit in residence at NMU is required.
