## ONLINE BACHELOR OF SCIENCE DEGREE

### Transfer Guide for Northeast Wisconsin Technical College

#### 100% ONLINE | EXPERT FACULTY | WORK WHILE YOU LEARN

The Criminal Justice Department provides students with an understanding of the process by which justice is distributed in our society, the function and operation of the criminal justice system (law enforcement, criminal courts, and corrections), and the role of individuals in the allocation of justice. The curriculum prepares students for a range of careers in law enforcement, adult and juvenile corrections with federal, state or local criminal justice agencies, or for graduate study. The faculty is dedicated to providing a challenging learning experience and to graduating outstanding candidates for entry into their professional careers or graduate school. The department is committed to excellence in teaching, research, and community search.
