

FOCUS AREA 2: ACTION PLAN

DIVERSITY, EQUITY, INCLUSION & BELONGING

Create and embrace a university-wide culture of inclusion and belonging for all members of the NMU community.

NMU acknowledges that historical patterns of oppression in US society—beginning with colonization, and continuing with racial and ethnic discrimination, and mistreatment of LGBTQIA+ people and people with disabilities and other marginalized populations—also exist on college campuses. NMU commits to understanding those patterns and will work to create a more just university and society. We must recognize that diversity, equity, inclusion and belonging (DEIB) do not simply exist with a statement but rather must be sewn into the fabric of our university culture and values. NMU will ensure the sustainability of the comprehensive, transformative work of diversity, equity, inclusion and belonging, and understands the long journey that will create a community where everyone feels safe, supported, and included.
