Minutes from notes taken by Judith Quirk:

Opening remarks by President John Kiltinen, being stuck in an elevator in Pittsburgh in August was an omen making new friends.

John announced the May clean up of the Domo, May 1, it may be the last time.

Presentations by students who have been aided through the NMU Foundations program inspired the assembly to consider the futuro.

NMU Development Foundation, Dave Bammort, gave a presentation with information for giving.

Respectfully submitted,
