

Strategic Planning and Budgeting Advisory Committee
3-5pm, February 6, 2019
Huron/Erie Room, University Center

Agenda

External factors that may impact NMU (Part 1)

I. Presentations

A. Legislative landscape - *Deanna Hemmila, Exec. Dir, Board of Trustees/Government Relations*

B. Extended adolescence - *Chris Greer, Dean of Students*

C. Other factors - demographics (to be presented by Nathan Grawe in March) and trends in credential packaging (to be presented by Steve VandenAvond in April)

II. Discussion

A. Nathan Grawe, author of *Demographics and the demand for higher education*, will join us at our March meeting. Are there specific questions you want him to address? How can SPBAC best use its meeting time with him?

B. What other external factors do you expect to impact NMU's future?

C. How can we best engage campus in planning for these factors?

D. After we look at these external factors, how can we use the April meeting to tie the conversations together?
