Individual Education Tutorial Plan

The Individual Education Tutorial Plan (IETP) is used to guide your high school experience and prepare you for postsecondary/college education. This plan is updated each year to reflect your assessment results, review of your high school transcript, and assess progress toward identified goals. Your plan can be revised as necessary for changing interests, goals, and needs.

Required elements of your Individual Education Tutorial Plan:

1. Identification of your career goals using a career interest inventory.

Career Bridge: http://www.careerbridge.wa.gov/Survey_Cluster.aspx

Career One Stop: <https://www.careeronestop.org/toolkit/careers/interest-assessment.aspx>

2. Identification of your educational goals that will lead to your chosen career.

3. A four-year course plan that fulfills graduation requirements and aligns with your career and educational goals, with information about dual credit programs and the College Bound Scholarship.

4. By the end of 12th grade, a current résumé.

5. If you have not met standard on your state assessment, this plan must include interventions and academic supports, additional courses, or both that will enable you to meet the high school graduation requirements.
