

## NMU Enrollment Verification Form Veteran Services Policies and Procedures

A student is classified as a veteran student when she/he receives benefits from the U.S. Department of Veteran Affairs (VA) under one of the following VA education programs:

Chapter 33 - Post 9/11 G.I. Bill ®

Chapter 31 - Vocational Rehabilitation®

Chapter 35 - Survivors' and Dependents' Educational Assistance Program

Chapter 1606 - Montgomery G.I. Bill Selected Reserve Educational Assistance®

**All veteran students choosing to use their VA Education Benefits must complete a Veteran Services Enrollment Verification Form (EVF) at the beginning of each semester, even if certified for more than one semester by the school's VA certifying official. Failure to provide complete information may result in a delay of certification to the VA Regional Office. Completion of the NMU Veteran Student Services Enrollment Verification form is not a guarantee that you will receive payment from the VA.**

VA benefits are payable for approved courses and programs only. Restrictions apply to some courses and/or programs under some or all VA education programs. Veteran students will be certified to the VA in accordance with current VA regulations. We are required to report complete details of your enrollment, and any subsequent changes, to the VA.

Veteran students must promptly notify the NMU's Veteran Services Office, 2101D C.B. Hedgecock Services Center, of any changes in their enrollment, including adjustments to their schedule or withdrawal from the University. A change in your registration and/or attendance may result in payment changes. Veteran students who fail to successfully complete a course are required to notify the Veteran Services Office of the last date of attendance. Failure to do so will result in our reporting that the student did not attend the course. The VA Regional Office will adjust benefits based on the enrollment change date.

We cannot determine eligibility or payment amount of VA Benefits. Veteran students with questions concerning the type or amount of their VA benefits should contact the Veterans Affairs Regional Office directly.
