V. EXECUTIVE REPORTS

President - Bethany Beavers

- a. "Hey everybody, so we have a couple of speakers for the diversity panel on the 30th. The date got moved around to accommodate our speaker and event settings. Emily will be working on a promo for that with our speaker because they like to do their own."
- b. "This weekend I will be going to as many bathrooms as possible to ensure that we have menstrual products in as many places as possible. This got a bit delayed because of changing schedules around spring break."
- c. "I have been working with Spencer, recently, on setting up a central research hub to make getting involved in research more accessible to students who are looking for it."
- d. "The next Presidential search advisory committee meeting is April 20th and the search was pushed back about a semester to account for scheduling problems."
- e. "I am still working on setting up a meeting with the VFCC committee, specifically the democracy

fellowship members, so we can put together a plan in the upcoming weeks."

- f. "Additionally, there will be construction in the Northern center throughout the summer and it may be difficult to get into the office. I don't know how accessible it will be, so my personal recommendation is to not leave anything important in there that you might want over the summer. The person who talked to me did say that it would be accessible for the school year so there's no worries there."

Vice President - Thomas Kettler

- a. "There hasn't been any action with the appointments committee."
- b. "The elections committee has had a meeting and we will have a budget for posters and the packet for approval."
- c. "I meet with the commencement committee over break and they are planning on going back to a regular graduation ceremony with no Covid precautions, with a back-up plan in case they have to bring back precautions."
- d. "The university form is happening this Tuesday, so make sure to spread the word."

Treasurer - Emily Martens

- a. "ASNMU currently has \$15,203.85 and SFC has \$82,135.75."
- b. "Four budgets are on the agenda for Monday with SFC."

- d. "I have one person who is interested in taking over my position as Chairperson, so I will be

meeting with them on Monday to discuss the position."

e. "I am working with Ali and ENactus for the pop-up career closet that is happening on March 30th."

f. "And lastly, I secured Jamrich 1100 for the diversity forum on March 30th and I will be in contact with AV on Monday to get pricing on what we will need for the forum."
