

# KINOMAAAGE

## THE EARTH SHOWS US THE WAY

*NAS 340, 4 credits, Aimée Cree Dunn-Instr.*

*ZOOM: Fridays 12 p.m. - 3 p.m.*

*FIELDWORK: Weekly asynchronous*

Through the lens of Ojibwe ecology and the Northwoods, forest immersion activities help students deepen their relationship with the land. Key topics include the gifts of plants such as wild edibles, Ojibwe environmental history, and forest sentience. Meets 9/1 - 10/20.

Offered Fall 2023
